MAIN STREET PARKING RESTRICTIONS FOR PAVEMENT MARKING

The Town of Louisa advises residents, businesses, and visitors that temporary parking restrictions will be in place on Main Street due to upcoming Pavement Marking Operations

Milling operations are scheduled to begin at approximately 7:00 a.m. on November 8th, 2026, and continue through approximately 10:00 a.m. The initial work will affect Main Street from 310 W. Main Street to Fredericksburg Avenue.

NO PARKING will be permitted within the designated work area during the scheduled operations. Motorists and visitors are asked to remove all vehicles from the affected areas prior to the start of work to allow the contractor to safely and efficiently complete the milling operations.

This press release will be updated as the contractor's schedule is updated. The Town appreciates the cooperation and patience of residents, businesses, and visitors while these necessary roadway improvements are completed.

For everyone's safety, please use caution when traveling through the work area and follow all posted traffic control and parking restrictions.
