TO: Adjacent Property Owners For Contract 2026-C1 E. Hillside Improvements
FROM: Ryan T. Scanlan, MEng, E.I.T., Assistant Township Manager For Public Works
DATE: June 11, 2026
SUBJECT: Start Work Notice

Dear Property Owner,

The Patton Township Board of Supervisors has awarded the East Hillside Improvement Project, Contract 2026-C1, to Big Rock Paving. A Notice-to-Proceed was issued to Big Rock Paving on June 15, 2026. Construction activities are expected to begin the week of June 15 and conclude in July.

Work included in this project consists of:

- Milling the existing roadway surface
- Base asphalt repairs (as needed)
- Placement of a bituminous scratch course and final wearing course
- Upgrading ADA curb ramps (2) and select sidewalk replacement
- Select curb replacement

In advance of paving operations, the University Area Joint Authority (UAJA) will be performing repairs to manhole castings along East Hillside Avenue.

Throughout the project, access to all properties will be maintained. At least one lane of traffic will remain open at all times; however, residents should anticipate brief interruptions to driveway access while work is actively in progress. Patton Township appreciates your patience and cooperation as we work to restore the roadway.

If you have any questions or concerns regarding the project, please contact me at rscanlan@twp.patton.pa.us or by phone at 814-234-0271.

If the house abutting E. Hillside Avenue is a rental property, please provide this notice to the tenants.

The Township thanks you in advance for your understanding as we complete this capital improvement project.

ecc: Amy Farkas, Township Manager
Eric Confer, Road Superintendent
Tyler Jolley, Police Chief
Ryan King, Big Rock Paving
Jack Hauser, Big Rock Paving
