

MISSING DOG

OUR BELOVED FAMILY MEMBER IS MISSING

Good morning!

We let 2 of our dogs out last night and when we went to let them in about 10 minutes later, and they were gone. We found one, but we are still missing our German shepherd, Stella.

If you see her please contact me at 254-223-1969.

.....
We live off Christopher, and we found our other pup on I35 this morning.

Stella ♥
