Amity Township, Douglass Township, Exeter Township and St. Lawrence Borough are working together to develop a Joint Comprehensive Plan, and we want YOUR input! This plan will guide the future growth, development, and preservation of our communities. Help the municipalities decide the vision for transportation, housing, parks, economic development, and more in our communities! All are welcome to participate in either of these two meetings.

#### **What to Expect:**

- Learn about the comprehensive planning process
- Share your ideas and priorities
- Engage in discussions with community leaders
- Help shape policies for the future

We would appreciate an RSVP so that we can prepare to provide enough refreshments. Please email [planning@berkspa.gov](mailto:planning@berkspa.gov).
