Wassailing is the 18th Century way of caroling that was done at Christmastime to celebrate the season. We will begin at Spring Grove Alliance Church and making a stop at Sacred Heart Catholic Church as we sing along Main Street reaching St. Paul Lutheran Church to view their Living Nativity. You are welcome to join at any of the churches and walk with us, or sing in place. Light refreshments will be served at the stops.

Parking is available at any of the church parking lots, the parking lot on East College Avenue, and the Fire Department's lot across the alley by the Rail Trail. Please be courteous to local resident and business parking.
