Board Crew and all,

Obligations out of state will remove me from a steady-state presence in Yankeetown and I feel it is in the best interest of the town for me to remove myself from the HP Board. Several folks have expressed interest in joining the board and I trust restoring it to capacity will happen. We have seen the town gain Certified Local Government status, which is key to any type of historic preservation program the town may wish to pursue. Our board has felt a good first step would be to inform townsfolk of the nature of historic resource designation for individual homes and businesses, and attached is a potential draft to be distributed for such a purpose. I've much enjoyed the camaraderie and fellowship of fellow board members, and while I might not be around all the time soon come, I'm always here in spirit. Thank-you!
Cheers, Eric P. Weber
