Meeting Procedures

The following rules of conduct apply for Lancaster Township Public Meetings as per Resolution 2026-06:

1. There will be at least one (1) public comment period designated for public comment at each Board of Supervisors meeting, subject to the rules set forth below.
2. Any residents or taxpayers of the Township who wish to speak during public comment should sign-in prior to the start of the meeting with their name, address, and topic they wish to discuss.
3. The Chairman of the Board of Supervisors will call the resident and/or taxpayer to come to the podium and speak in regard to Township business or interests only.
4. While the resident or taxpayer will record their address on the sign-in sheet, when they are called to the podium, they will state their name and confirm that they are a resident or taxpayer of Lancaster Township. There is no need to recite their address during the public meeting.
5. In the event a resident or taxpayer wishes to speak and had not signed-in prior to the meeting, they can ask to speak at the end of public comment by signing-in pursuant to the procedures and protocols set forth above.
6. All public comments are limited to five (5) minutes and shall be limited to discussing Township business or interests.
7. All attendees shall silence electronic devices or place on vibrate to prevent disrupting the meeting.
8. All attendees shall refrain from disrupting the meeting by speaking on phones or talking to others during the meeting.
9. All attendees shall remain courteous and refrain from public displays, such as clapping, cheering, or comments when another person is speaking.
10. There shall be no disruptive behavior such as clapping and/or stomping. Audience members and/or speakers will not be removed unless there is an actual and serious disruption.
11. A "Three Strikes" rule will be applied for meeting disruptions. The Board recognizes the public's right to comment and also the Board's authority to maintain order. A speaker or member of the audience who is determined by the Chair to be disrupting the meeting will receive a warning. Upon a third consecutive warning, the speaker or audience member will be directed to yield the floor and may be removed from the meeting to allow the Board to continue its business in an orderly manner.
12. The Board of Supervisors may limit repetitious comments.
13. These rules shall be applied neutrally to all speakers.
14. Speech shall not be limited to a particular viewpoint, opinion, or identity of the speaker.
15. There is a time set forth for public comment and members of the public shall refrain from calling out during the meeting as any issues should be raised during the public comment section.
