Michael Brothers Christmas Lights Recycling Program

- ◆ **What We Do:** Michael Brothers is dedicated to making a positive impact on our community. We collect broken, used, and end-of-life Christmas string lights from generous individuals like you.
- ◆ **Our Mission:** Recycling lights to light up lives! All proceeds from the recycled lights go directly towards supporting Salvation Army's Project Bundle Up program.
- ◆ **How It Works:**
 1. **Drop off your old lights:** Visit our Christmas Light Stands and drop off your broken or used string lights.
 2. **We recycle responsibly:** We ensure that every light is recycled in an eco-friendly manner.
 3. **Support Project Bundle Up:** All proceeds benefit Salvation Army's Project Bundle Up, providing warm wear for children and seniors in need.
- ◆ **Why Participate:** ✨ Give a second life to your old lights. ✨ Support local sustainability efforts. ✨ Make a direct impact on the lives of children and seniors in need.

🎁 **Join Us in Spreading Warmth and Cheer!** 🎁
