*It is the policy of the Borough of Littlestown, by the Littlestown Borough Council, to comply with the public participation provisions of the Sunshine Act (65 Pa.C.S.A. §710.1.), as amended. In view of the multiplicity of issues with which the Littlestown Borough Council must deal during each public meeting, as well as the number of residents and/or taxpayers who may desire to participate in and provide comment relative to matters of concern, official action or deliberations which are or may come before the Borough Council, it is necessary and appropriate to establish the present policy, pursuant to and in accordance with the provisions of the Sunshine Act (65 Pa.C.S.A. §§710., 710.1.), regarding the Littlestown Borough Council's receipt of public comment and the amount of time to be allocated therefore during regular and special Borough Council meetings. Therefore, each resident and/or taxpayer of the Borough of Littlestown who wishes to provide public comment shall be allocated and shall be limited to a maximum of three (3) minutes per agenda item or matter of concern, not to exceed in the aggregate ten (10) minutes per meeting relative to all agenda items or matters of concern; provided, however, that each such resident and/or taxpayer shall be allocated and shall be limited to a maximum of an additional three (3) minutes per non-agenda item/issue which may come before Borough Council for official action or deliberation. Public comment shall be requested, received, and limited to agenda items only at the beginning of each meeting, prior to any official public action or deliberation by Borough Council during such meeting. Public comment shall also be requested and received during the meeting prior to Borough Council's official public action relative to any non-agenda items/issues.
