**Work on Powells Valley Road Structure in Dauphin County Begins Tomorrow**

**Harrisburg, PA** – The Pennsylvania Department of Transportation (PennDOT) announced today that a PennDOT maintenance crew in Dauphin County is scheduled to begin work tomorrow on the structure on Powells Valley Road (Route 4013) in Wayne Township. The structure, which is located at the east side of the intersection with Price Road, has been closed to traffic since May.

Weather permitting, work will begin Thursday, August 7. Work includes removing the existing structure, installing a new concrete pipe and end walls, stream restoration and resurfacing the roadway over the new structure.

Work is anticipated to take five-to-six weeks to complete.

A detour remains in place using Route 225, Rutter Road (Route 4004) and Enders Road (Route 4001).

A press release will be issued when the road opens to traffic.

Motorists can check conditions on major roadways by visiting [www.511PA.com](http://www.511PA.com). 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by [following local alerts on X](#).
