

This Holiday Season,

let's come together to bring warmth and joy to families who have experienced the challenges of domestic violence.

Crisis Center North's Holiday Toy Drive on December 14 & 15th, 2023 is not just about gifts; it's about creating moments of happiness and normalcy for children who may have faced difficult times.

Your donation can make a significant impact by providing treats and a sense of hope and solidarity to these families. Imagine the smiles on the children's faces as they snack on a special treat, knowing that someone out there cares for them during a time when kindness and support mean the most.

Your generosity can turn a holiday that might have been overshadowed by hardship into a season filled with joy and compassion.

Consider contributing to our toy drive and be a part of something truly meaningful. Your donation, no matter the size, will help us create a holiday experience that these families will cherish. Together, we can make a difference and show them that, even in the face of adversity, there is a community that cares and supports them.

sincerely,

crisis center **north**
