Mobile Cart Information

As part of the new contract, Penn Waste will be offering mobile trash cart rental in Newberry Township for Trash Service.

Many residents find trash carts a convenient way of dealing with their refuse because the carts help to keep your property neat and clean by protecting trash bags from the elements and from pests and strays.

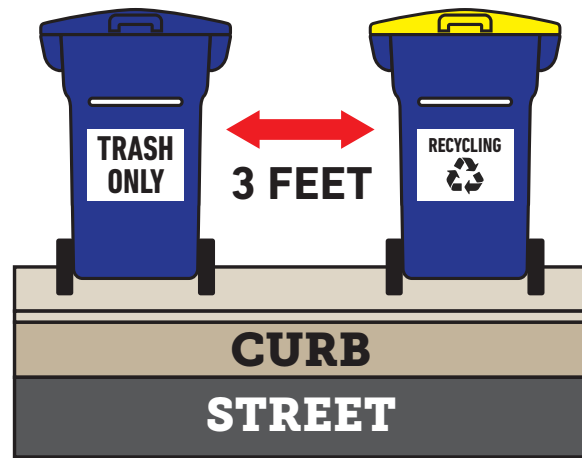

All residents should have a 65 gallon mobile cart for recycling. If you do not have one at this time or would like to rent a mobile cart for trash, please contact our customer service department at 717-767-4456 to schedule the delivery.

Proper Cart Placement

Please be advised that all mobile carts should be placed behind the curb. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The garbage truck arm has the capability to reach past the curb in order to pick up your cans.

Here are some tips to ensure a smooth collection process:

- ◆ Set mobile cart out the evening before pickup day.
- ◆ Place mobile cart with the lid handle and wheels pointing toward your residence.
- ◆ Do not place cart in the roadway.
- ◆ Do not block walkways with carts.
- ◆ Place carts at least THREE FEET APART from each other and mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart.

Bulk Item Guidelines - Call to Schedule Pickup
