## COMPREHENSIVE PLAN

MONDAY, OCTOBER 23

5-7 PM

Harborcreek Township Building - 5601 Buffalo Road

**WE WANT YOUR INPUT!**

Harborcreek Township has been working to update the Harborcreek 2010 Comprehensive Plan. Through public input including - stakeholder outreach, a public open house, and a public survey - citizens discussed their vision for the future of Harborcreek. What steps are needed to turn the vision into a reality?

The meeting will include a presentation on the plan development to date. Attendees will also have the opportunity to visit stations to review and provide comments on the draft recommendations. Consider recommendations that will be presented to address problems and undertake improvements for:

- KEY COMMERCIAL CORRIDOR DEVELOPMENT
- REMAINING A CHOICE COMMUNITY FOR ALL
- STRENGTHENING CONNECTIVITY AND RECREATIONAL ASSETS

Provide your comments and ideas. Your input will help choose the best course of action. Recommendations will be finalized, and a draft plan will be completed this fall. A public comment period will take place near the end of the year. The Township will hold a public hearing and consider the plan for adoption in early 2024.
