PennDOT Announces Online Plans Display for the Route 624 (Long Level Road) Bridge Rehabilitation Project in Lower Windsor Township, York County

Harrisburg, PA – The Pennsylvania Department of Transportation (PennDOT) invites the public to an online plans display regarding the Route 624 (Long Level Road) bridge rehabilitation project. The bridge spans Cabin Creek in Lower Windsor Township, York County, PA.

The purpose of this project is to replace the existing bridge superstructure.

The project consists of the replacement of an existing single-span, reinforced concrete T-beam superstructure originally constructed in 1931. The proposed superstructure is a single-span, two-lane concrete PA Bulb-Tee beam. The proposed structure will carry two (2) travel lanes (10.5-foot) with 1.5-foot shoulders. The proposed project will closely match the existing roadway horizontal and vertical alignments.

The project is currently in design and it is anticipated to start construction during the 2027 construction season. Construction is anticipated to occur in through winter and the roadway opened to traffic by Memorial Day.

A digital version of the information will be available to view online from April 21, 2025, to May 21, 2025.

Information, including bridge plans and an interactive comment form, can be found by visiting the PennDOT District 8 website, [PennDOT District 8](#), clicking Projects Near You listed on the left side of the page, then the District 8 Projects, and choosing [Long Level Road over Cabin Creek Bridge Rehabilitation Project](#).

The purpose of the plans display is to introduce the project and receive public input regarding any questions or concerns with the project. It is also an opportunity for the public to review and comment on the project's potential effect upon Cultural Resources pursuant to the Advisory Council on Historic Preservation's 36 CFR Part 800 regulations implementing Section 106 of the National Historic Preservation Act.

The project documents can be made available in alternative languages or formats if requested. If you need translation/interpretation services or have special needs or have special concerns that require individual attention, please contact Ryan Stauffer, Consultant Project Manager, at (717) 990-3038 or email at c-rystauffer@pa.gov.

Pursuant to Title VI of the Civil Rights Act of 1964, PennDOT does not discriminate on the basis of race, color, national origin, gender, age, or disability. If you feel that you have been denied the benefits of, or participation in a PennDOT program or activity, you may contact the Pennsylvania Department of Transportation, Bureau of Equal Opportunity, DBE/Title VI Division at 717-787-5891 or 800-468-4201.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras. 511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by [following local alerts on X](#).
