December 10, 2025

Conewago Township
490 Copenhaffer Rd
York, PA 17404
Attn: Mr. Josh Kopp

Dear Josh,

Penn Waste has been notified that effective January 1, 2026, disposal rates at the York County Resource Recovery Facility are increasing \$2.00/ton. The York County Disposal Plan mandates that all municipal-like waste be disposed of at the York Incinerator. Please see the attached letter documenting the increase. As a result of this disposal increase, Penn Waste will need to increase its quarterly rate per home by \$0.93 per quarter – bringing the total disposal increase over the course of the contract to \$3.39 per quarter. Your renegotiated rate (not including disposal increases) for January 2026 was \$94.00 per quarter. The new quarterly rate for Conewago Township will be \$97.39 per quarter effective January 1, 2026. This figure was arrived at by using the township's 2024 tonnage figures for a total of 3,071.39 tons.

Tag-a-Bag customers will not be affected.

Penn Waste looks forward to servicing the residents of Conewago Township and to providing quality service.

Sincerely,

Erin Dell
Municipal Administrator

RE: Billing Adjustment

Dear Josh,

The first quarter billing for 2026 went out to residents at an incorrect rate. Penn Waste plans to rectify this in the following manner:

The residents will be provided with a \$1.82 discount on the 2nd quarter billing bringing the total bill to \$95.57. The billings for the 3rd and 4th quarters will be at the correct 2026 rate of \$97.39

If you have any questions regarding this adjustment, please feel free to reach out.

Thank you,

Erin Dell
