NEWS RELEASE

SNOW EMERGENCY

January 22, 2026

North Codorus Township is declaring a snow emergency effective Saturday, January 24, 2026 at 8 pm until further notice. The snow emergency is being declared to help ensure the safety of the community by allowing plow trucks to clear and salt the roadways.

The snow emergency means residents **MUST** remove all parked vehicles and/or trailers from public roadways in the township. They will be ticketed and towed at the owner's expense. The police will **NOT** issue warnings.

Driveway aprons may become blocked during plowing operations. Crews will not go back to clear blocked driveways. Do not pile snow back onto the clear roadways. Do not pile or discard snow on any public properties, road rights-of-way, sidewalk, alley, parking lot or in front of any fire hydrants.

If you have a fire hydrant on your property, it is your responsibility to make sure the snow is cleared from around the fire hydrants.

Thank you,

Melissa M. Altland, Manager
North Codorus Township
