Detour Planned for This Coming Weekend in Market Street Bridge Between Dauphin and Cumberland Counties

Harrisburg, PA – The Pennsylvania Department of Transportation (PennDOT) announced today that a detour is planned for this coming weekend on the Market Street Bridge spanning the Susquehanna River between Dauphin and Cumberland counties. The detour will be in place so a contractor can install a temporary support system on the southeast end of the structure.

Weather permitting, this work will be performed from 9:00 PM Friday, October 25, to 6:00 AM Monday, October 28. The bridge will be closed in both directions and a detour will be in place.

Westbound travelers should take 2nd Street in Harrisburg north to Forster Street, then turn left to cross river on the Harvey Taylor Bridge, turn right on 2nd Street in Wormleysburg, right on Stella Street, then right onto Route 11&15/Front Street to proceed to the west end of the Market Street Bridge.

Eastbound travelers should head north on Front Street in Wormleysburg to Elm Street, turn left on Elm Street, right on 2nd Street, right onto the Harvey Taylor Bridge to cross the river, then right onto Front Street in Harrisburg to proceed to the east end of the Market Street Bridge.

JD Eckman, Inc., of Atglen, PA, is the contractor for this work.
