The amount you pay for water will increase on Jan. 1, 2025. For an average household using 4,000 gallons of water per month, the cost increase will be \$1.53 per month. Also, Alcosan is raising their rate by 7% in 2025 which affects the sewage portion of your bill if we bill your sewage.

Attention Forest Hills residents: Sewage charges will now be added to your WPJWA monthly bill. Fourth quarter 2024 charges will be spread over the next four bills to ease the transition. Visit wpjwa.com/ announcements for more details.
