

Important Notification

**The Borough of Tarentum is upgrading its utility billing system
effective June 1, 2026.**

(see reverse side for details)

WHAT RESIDENTS SHOULD KNOW

- Customers will need to re-enter their payment information once the new system goes live, including setting up autopay if they wish to use that feature. This is necessary to ensure accuracy and security during the transition.
- Your current account number will remain the same in the new system.
- To help ease the transition to our new system, June utility bills will be due on June 22, 2026, one week later than the normal due date. This is a one-time change only. Regular billing due dates will resume on July 15, 2026.

Visit www.tarentumboro.com for more information. Residents can click the "Pay Bills Here" button on the home page to go directly to the new payment system.

NEW SYSTEM LIVE AS OF JUNE 1, 2026

Tarentum Borough will transition to a new utility billing platform from BS&A Software as our current system contract ends. This upgrade was selected after a thorough evaluation and is an investment in faster service, more options, and improved account access for our community.
