22ND ANNUAL WATERSHED WEEK

September 21st - 27th, 2024

MAKE WAY FOR CLEANER WATER

The purpose of Watershed Week is to increase awareness about the importance of clean water to community health and the practices we can all do to keep our watersheds healthy. Watershed Week is fun for the whole family and attendees will get to know their watershed and the folks and organizations who are working hard to enhance, restore, and protect them.
