

BATS

October 21st, 2023
6:00PM-7:00PM

Little Creek Community Park
(1657 Route 116 Spring Grove, PA 17364)

Cost: FREE *Pre-registration required
(Includes light refreshments)

Register at www.sgrprc.com click under "Tickets and Events"

Bat Enthusiast, Linette Mansberger, will dispel many of the myths of bats, attempt to decrease fears, and hopefully increase appreciation for these important members of our ecosystem. Participants will learn about the similarities between bats and humans, about bat diets and habitats, and about various species of bats. Linette will showcase a mixture of her photographs of bats taken in various places around the world - including Australia, Borneo, Costa Rica, Panama and Tanzania and some photos purchased from Bat Conservation International. A few props will be included in the program, but there will be NO live bats.

This program is suitable for adults and children ages 5yrs. and up.
We may try to find some bats at the park after the program!
Light Refreshments will be provided.
