BUILT TO SERVE: Your New Municipal Building

After more than a year of demolition, temporary offices, construction dust and major changes, the Dover Township Municipal Building is entering its next chapter.

Our sixth and final construction video takes you inside the transformed facility and shows how the project will improve public access, meeting space, security, staff operations and Dover Township's ability to serve a growing community for years to come.

Come inside and see what all the work was about. [\[Click Here to View\]](#)
