Dear City of Bruceville-Eddy Utilities Customer:

The City of Bruceville-Eddy has contracted with Water Company of America to look into our water accounts to confirm that we are fairly and accurately billing our customers for utility services. Water Company of America staff will begin the field phase of their project in July 2024 and that work will continue through the end of the project in June 2027.

As a part of this work, Water Company of America personnel will be reviewing water usage and meters as needed. Please offer them whatever assistance they need to complete their tasks.

Thank you for your cooperation! If you have any questions or would like to verify the information in this letter, please feel free to call me at 254-859-5964.

Sincerely,

A handwritten signature in black ink that reads 'Kent Manton'.
