

## Red Lion Borough

Job Title: Operator I  
Department: Public Works

### **Position Summary**

In addition to the requirements of the Laborer, this position consists of manual and semi-skilled work equipment operation work in maintenance and construction projects. Assignments involve routine driving and operations of gasoline and diesel powered construction equipment in a safe and effective manner. Assignments are performed under the direction of the Public Works Supervisor or other designated Borough Official.

### **Typical Examples of Work**

- All duties and responsibilities as listed under the Laborer position
- Drives trucks during snow removal and cindering operations and transports equipment or materials to and from work sites.
- Maintains, washes and services equipment
- Assists in patching and repaving road surfaces
- Paints lines and arrows on the road surfaces and paints school crossing walkways

### **Basic Knowledge, Skills and Abilities**

- Knowledge in the care and safe operation of the trucks, construction and maintenance equipment
- Knowledge of maintenance, operation and lubrication of trucks and light construction equipment
- Knowledge and ability to implement trench safety including shoring requirements
- Knowledge of PennDOT construction site traffic control regulations and flagging techniques
- Knowledge of Pennsylvania One Call regulations
- Knowledge of storm water system construction and repair techniques
- Ability to patch and repave road surfaces
- Ability to operate loader in an efficient manner at night in adverse conditions
- Ability to perform minor repairs, maintenance and running adjustments of construction equipment
- Ability to participate in a work planning based on field observations
- Ability to maintain accurate records
- Perform all other duties as assigned

### **Minimal Acceptable Training and Experience**

- High school diploma or equivalent
- Any combination of education and experience that indicates possession of the knowledge, skills and abilities listed herein

### **Licenses, Registrations and Certificates**

- Posses a valid Pennsylvania Class B Commercial Drivers license with air brake endorsement

**Special Requirements**

- Ability to pass physical/medical test
- Ability to pass drug-screening test
- Ability to pass background investigation

**Physical Demands and Work Environment**

- Work is in an industrial setting, indoors and outdoors, hot and cold areas and subject to hazardous working conditions
- Subject to heavy manual labor for prolonged periods of time under adverse conditions, both physical and climatic
- Work is performed around a variety of potentially hazardous mechanical and electrical equipment and occasionally around hazardous substances
- May be required to work weekends, holidays or after normal work hours in emergency situations

**Disclaimer**

The above statements are intended to describe the general nature and level of work being performed by a person assigned to this position. They are not intended to be construed as an exhaustive list of all responsibilities, duties and skills required to perform the job.
