## **Drainage Work to Begin for Route 124 (East Prospect Road) and Freysville Road Intersection Safety Improvement Project in Windsor Township, York County**

**Harrisburg, PA** – The Pennsylvania Department of Transportation (PennDOT) announced today that drainage work will begin next week for an intersection safety improvement project Route 124 (East Prospect Road) and Freysville Road (Route 2001) in Windsor Township, York County.

Weather permitting, drainage work will begin Wednesday, May 27. Work will be performed during daylight hours under flagging.

This work is part of a safety improvement project that consists of phased construction of a new traffic signal, realignment at the intersection, and other related construction activities.

York Excavating Company, of Yorkana, PA, is the contractor for this \$2,286,571 project. All work is expected to be completed by November 15, 2028.

Travelers are reminded to be alert for these operations, to obey work zone signs, and to use caution when driving through work zones for their safety, as well as for the safety of the road crews.

Drivers can check conditions on major roadways by visiting [www.511PA.com](http://www.511PA.com). 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,200 traffic cameras. 511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by [following regional X alerts](#).
