Purpose

The purpose of this group is to provide a safe & supportive environment for care givers caring for individuals who are living with Alzheimer's disease or a related dementia and individuals who have been diagnosed with Alzheimer's or other dementia. Care givers are welcome to attend individually as well. During the meetings there will be educational information presented by local experts, emotional support, and connections with resources so that group members may live life to the fullest.

Group meeting discussions are confidential. Anything shared during the group will be kept confidential, with the exception of a dangerous or abusive situation.

Sign up online or by calling: 717-225-0733
