1. Softball Registration- We are having two in person this year. Wednesday Jan 29th from 6-7:30pm at Bowers and then Wednesday Feb 5th from 6-7:30pm at the Rec Building.
2. Is the plan to do online for those that do not attend these dates?
3. All money and registration will be done through the recreation department. Registration forms will be shared with coaches to ensure teams can be made and they have all important information they will need
4. If we don't have enough girls to make a full team, we need to make sure that money gets refunded in a timely manner.

C. Leisure Ed Classes we are offering- We make \$5 per student for registration and the instructor receives a check from us for the rest.

1. January Fitness class with Meghan Gray. Class was every Tuesday in January and ran for 4 weeks. Cost was \$25. She had 17 students. She profited \$340 and Recreation profited \$85. She's going to run another session in February since this was popular and charge the same.

F. Sponsorships for this year

1. Are we doing a sponsorship packet?

2. If we are, we will have to decide what for? Should we have designated items to sponsor or just general sponsors for the year?
3. Are we offering billboards for sponsors out at Nitchkey this year? If so I believe they should provide the sign and we will give them the dimensions for it.

G. Food Truck Friday

1. We need Food Truck Friday dates. Thoughts on May, June, and Sept? July and Aug last year had very low attendance. I would like to get dates out due to food trucks booking early
2. No movies this year? They were pricey and bands could be cheaper
3. Still out at Nitchkey again?
4. Frank has done a new contract and Evan helped proofread it and made suggestions. A copy has been sent to our lawyer to read.

H. July 4th Car Show

1. Early planning stages
2. Talked to JoAnn Zimmerman and her and her family will be doing the car registrations and raffle baskets again. She did ask for donations of gift cards again for raffle baskets from Recreation. Last year we donated \$375 for them and it was covered by our profits
3. I have booked- Ray's Pit Beef, Wilson's Funnel Cakes, Brickers French Fries, and Taco Bus that day. I also just secured a breakfast food truck because that's what everyone was asking for with early set up. I would still like another truck or two.
4. This is the 25th Anniversary and I'd love to make this a huge success
5. What are your thoughts on having some vendors/crafters? Might draw more people in

I. July 3rd Fireworks

1. Early planning
2. Felton Band may perform
3. 4-5 food trucks signed up
4. Fireworks are booked and deposit paid

J. Bus Trip

1. I would like to plan a trip to New York City
2. Priced it for the spring but decided that we won't have enough time to advertise. I think a fall trip would be nice. Maybe September?
3. Best price was Krapf Bus Company. 55 person Bus- \$65 per ticket
4. Is this something we want to try and offer again?

K. Suds and Songs

1. Date: Saturday June 7, 2025 from 1pm to 8pm
2. Already booked and paid deposit for the large tent, fans, and high tops. We rented from same vender
3. Already booked 2 bands- Tate Lehman and the Blue Chilis and TGIR. Both bands joined us last year. We have a facebook post out for more bands and have had a great response.

4. Shine Club will carry our license again with the agreement we let them do a 50/50.
5. Brewery Products will be participating as well. We will need ramp certified people to pour for their truck. Black Cap has confirmed they will be participating and I'm waiting on confirmation from Sign of the Horse. I also reached out to some other local breweries to expand this event.
6. Already booked 8 food trucks which is about our limit down there. I started a waiting list if people don't pay their deposit and back out once contracts are sent.
7. Contacted Music Voyager for sound and waited on the contract to sign and get that secured officially.
8. More planning is in the works. We need to schedule a Suds only meeting in February.
