

# Dover E-xclusive

Recreation | April 2024

## Head start to Summer!

### White Rose Classic

Join us as we host a Drum Corps International (DCI) - Open Class Competition at the Dover Area High School stadium. Support these young people as they play, drum and spin their way across the country! If you like marching bands, then this show is for you. Drum corps takes marching band and kicks it up a notch.

**Tickets are available through DCI's website**

**What is drum and bugle corps?** Well, it's kind of like marching band - but different. Drum and bugle corps are made up of brass, percussion & color guard. The corps will come for our show and then be in a different city/town the next day. This all leads up to Championships which are held the second week of August in the Indianapolis, IN area. Find out more at [www.dci.org](http://www.dci.org).
