

Emergency Brush Pickup: Monday, 07/13 through Thursday, 07/16

Upper Allen Township Public Works will be collecting brush curbside Township-wide beginning Monday, 07/13, and ending on Thursday, 07/16.

- Please have all brush at the curb by 7:00 a.m. on Monday. We cannot guarantee a specific day that we will pick up brush in any given zone.
- The longer the brush, the better it is for workers to handle and place into the chipper.
- Do not make your brush pile higher than three (3) feet or place brush in a pile wider than ten (10) feet. The limit is one (1) pile per house.
- We will not drive onto private roads, driveways or yards due to liability issues.
