

# **THE BURN BAN HAS BEEN OFFICIALLY LIFTED IN CEDAR KEY**

**But there are a few things you need to know.**

- **Only yard waste that you collect from your yard may be burned. That means no household garbage, lumber, plastic, cardboard, etc.**
- **Do not burn on windy days.**
- **Never leave a fire unattended**
- **Keep a water hose handy in case your fire escapes.**
- **Fire must be completely out before you leave, and if it is a Debris fire, it must be out before dark.**
- **Make sure you are meeting setbacks required by the state.**

**REMEMBER, if your fire escapes, you may be liable for cost of suppression and damage to the property of others.**
