

Data Center Information Session

Join Cumberland County Planning Commission, Dickinson College, & Cumberland Area Economic Development Corporation for a virtual session to learn more about data centers. A panel of experts will provide an informational presentation for residents, planning commissions, & local governments.

This event is not tied to any specific data center project.

Topics:

- Data centers in today's digital age
- Data center growth & key locations
- Impacts on electric rates, water usage, noise, & open space
- Impact on tax revenue, jobs, & digital infrastructure
- Best practices for development & community engagement

Panelists:

- Virginia Data Center Reform Coalition/
National Parks Conservation Association
- Pennsylvania Utilities Commission
- Susquehanna River Basin Commission
- American Real Estate Partners

Additional Info: cumberlandcountypa.gov/datacenters
