Subject: Holtwood Hydroelectric Project (P-1881) Recreational Visitor Survey

Distribution List:

BIF Holtwood, LLC (Holtwood), an affiliate of Brookfield Renewable Partners L.P. (Brookfield), is the licensee for the Holtwood Hydroelectric Project (Project) located on the Susquehanna River in Lancaster and York counties, Pennsylvania. Holtwood is in the process of relicensing the Project with the Federal Energy Regulatory Commission (FERC).

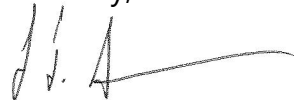

As part of the Holtwood Project relicensing process, Holtwood is conducting a recreational visitor survey soliciting information on recreational use and visitor perceptions of the Holtwood Project recreation facilities. Signs directing visitors to the online survey will be posted in conspicuous locations throughout the Holtwood Project recreation facilities. The survey will be open for responses from May 1, 2026 through May 1, 2027. This correspondence is to inform you that Holtwood has posted the link to the online recreational visitor survey on the project relicensing website in accordance with FERC's Study Plan Determination issued on February 10, 2026. The Holtwood relicensing website can be accessed via the following link:
