

Yankeetown Historical Preservation Board
Meeting Minutes
25 Feb 2026

Board Members Present: Sally Douglass, Terri Scoggins, Eric Weber
Council Liaison Bob Terrian
1 YT citizen in attendance

Meeting called to order by Chair Eric Weber 4:15PM

- Previous meeting minutes of 17 Dec 2025 were distributed via e-mail; Sally moved to approve as written, Terri seconded, all present voted aye.
- Eric stated the town had not heard back from the state Historic Preservation Bureau regarding the approval of our Certified Local Government application but he believes all the required documents have been submitted.
- Eric shared what he had learned about the Hurricane Idalia Historic Elevations Cultural Resources Assessment Survey and potential board involvement: at the last Town Council meeting. Jason with the town's grant consultant firm Savinacious brought this subject up and clarified said assessment must be done by an entity with very specific credentials, and their company would be handling this. From the perspective of the Yankeetown Historic Preservation Board, there is no need for involvement on this issue from the board. Eric expressed relief. He had asked Tim Haines for his perspective but had not gotten a reply.
- The issue of a board member vacancy was brought up as Mindy Brady shall be running (unopposed) for a town council seat. Board member Terri recognized the town citizen in attendance, Jill Lancon, and asked if she would be willing to be on the HP board, to which she said yes! Eric thanked her and said for her to complete an application by getting the form from Linda at Town Hall.
-
- Meeting adjournment motion by Terri at 5PM, seconded by Sally, all aye.
