February 5, 2025

Dear Proprietor:

As you are likely aware, the Philadelphia Eagles have progressed to Super Bowl LIX being held on the evening of Sunday, February 9, 2025 at 6:30 PM. Dating back to the 1970's, Hatboro's York Road Business District has been known for large celebrations following championship wins of Philadelphia sports franchises. While many of these spontaneous events have been largely peaceful, there have been occasions when unruly individuals have engaged in behaviors that have led to property damage.

Accordingly, the Hatboro Police Department, and our public safety partners, have plans that include placing additional police officers on duty in our business district on the evening of this year's Super Bowl. As a precaution, we recommend business and property owners secure any items they may own outside of their businesses. For example, we recommend removing any moveable items such as sign boards, private trash containers and unsecured furniture from the sidewalks to a location inside your business prior to the evening of February 9, 2025.

We also ask any establishments that are licensed to serve alcoholic beverages have adequate staffing on-duty to prevent customers from leaving your respective businesses with open containers of alcoholic beverages, especially bottles and cans. With your assistance, we hope to make any celebration that may occur safe for all. We wish all of you a safe and prosperous 2025. Thank you for your cooperation!

Sincerely,

A handwritten signature in blue ink that reads "Mark D. Rugg" with the year "2025" written below it.

Chief Mark D. Rugg
