Reminder: Wago Road Bridge in York County to be Closed This Weekend

Closure related to bridge superstructure replacement project

Harrisburg, PA – The Pennsylvania Department of Transportation (PennDOT) reminds travelers that a closure is planned for this weekend on the Wago Road (Route 1019) bridge in East Manchester Township, York County. The bridge, which is undergoing a superstructure replacement, is located between the entrance to the Brunner Island Power Plant and the Conewago Creek Recreation Area.

Weather permitting, the closure will be from 12:01 AM Saturday, September 14, to 6:00 AM Monday, September 16, so the bridge can be placed in a long-term single-lane traffic pattern with temporary signals in place to allow alternating directions of traffic to cross the bridge.

A detour will be in place during the closure using Wago Road, Main Street, Route 921, Route 181 and Landvale Street.

Three more weekend closures are planned for this project. Updated press releases will be issued prior to each closure.

This project consists of a superstructure replacement and other miscellaneous construction.

Charles J. Merlo, Inc., of Mineral Point, PA, is the contractor on this \$3,863,000 project.

All work is expected to be completed by October 14, 2025.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras. 511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by [following local alerts on X](#).
