RECYCLE RIGHT

A SIMPLE GUIDE TO WHAT GOES IN YOUR RECYCLING BIN

Put it in. Keep it loose. Help us keep
your community clean and green!

PUT THESE IN

PAPER & CARDBOARD

Newspapers, paper bags, magazines, junk mail, and flattened cardboard.

METAL CANS

Aluminum beverage cans and steel food cans.

PLASTIC BOTTLES & JUGS

Plastic bottles 1 & 2, such as water bottles, milk jugs and detergent jugs.

KEEP THESE OUT

No Bags, Film & Foam

No bags, bubble wrap styrofoam or foam cups.

NO FOOD & DIRTY ITEMS

No food, liquid, or dirty items.

TANGLED & STRINGY

No hoses, cords, chains, wires, tools or scrap metal.

Glass look-alikes

No mirrors, ceramics drinking glasses or light bulbs

HAZARDOUS & TOXIC

No batteries, chemicals, paint, propane, electronics, or medical waste.

PREPARE YOUR RECYCLABLES

Clean and empty

Rinse if needed

Keep items loose (no bags).

NEVER BAG RECYCLING!

Recyclables must be loose in your bin. Bags can get tangled in our equipment and cause serious injury.

*Thank you
for recycling!*
