Dear Crafton Community,

The Crafton Recreation Board regrets to announce that the 2025 Holiday House Tour, originally planned for this December, has been canceled.

Despite our enthusiasm for this beloved community tradition, we have not received sufficient participation from homeowners interested in opening their homes for this year's tour. Without adequate participation, we are unable to provide the quality experience our community has come to expect and enjoy.

We understand this news may be disappointing to many residents who look forward to this annual event. The Holiday House Tour has been a wonderful way to celebrate the season and showcase the warmth and creativity of our neighborhood, and we share in your disappointment.

We sincerely thank those who expressed interest in participating and all community members who have supported this event in previous years. Your enthusiasm and spirit make Crafton a special place to call home.

The Recreation Board remains committed to bringing engaging events to our community. We encourage residents interested in participating in a future Holiday House Tour to contact us, as we will reassess the possibility of hosting this event in 2026 based on community interest.

While the Holiday House Tour will not take place this year, we invite you to join us for these festive community gatherings:

Gingerbread House Making - Saturday, December 6th

Partnered with the Crafton Public Library

Join us for a fun, family-friendly morning of creativity and holiday cheer as we build and decorate gingerbread houses together. Pre-registrations is required with more information coming later this month.

Celebration of Lights - Saturday, December 6th

Come together as a community to begin the holiday season with our annual Celebration of Lights, featuring music, refreshments, and holiday spirit.
