

BOROUGH of DELAWARE WATER GAP Leaf Collection 2023

Beginning on Monday, October 23rd and concluding on Friday, November 24th. Leaf trucks will circulate roads once per week during leaf pickup. Dates and pickups are subject to change in accordance with weather conditions. Please have all leaves prepared for pickup by the end of the day on Sunday, November 26th. Leaf trucks will make one final sweep during the week of November 27th.

Guidelines for bulk leaf piles:

All leaves to be collected must be placed on the street.

Bags and rigid containers of leaves will not be collected.

Do not rake twigs, branches, walnuts, sticks, rocks, garden debris, etc. with the leaves: such items cause equipment to breakdown.
