

PUBLIC NOTICE

City of Krum – Demolition of Former Fire Department Building

****UPDATE****

The City of Krum would like to inform residents that demolition of the old fire department building on West Lake Street has been delayed and will begin on **Wednesday, October 14, 2026**, and is expected to continue over the next several days. Work will take place between **8:00 a.m. and 6:00 p.m.**

This demolition is being done to make room for the remodeling and improvements to the City's water plant facilities. These upgrades are an important investment in providing safe, reliable water service to our community for years to come.

During work hours, residents may notice increased noise, dust, and heavy equipment in the area. Please use caution when traveling near West Lake Street, follow all posted signs and traffic directions, and keep children and pets away from the work zone.

We appreciate your patience and understanding while this work is completed. If you have any questions or concerns, please contact the Public Works Department:

Kevin Koiner or Jerry Higgins
940-398-7307

Thank you,
City of Krum Public Works Department
