

# **Boil Water Advisory Lifted**

## **Boil Water Advisory to Consumers of Town of Louisa LIFTED**

---

As of 6/19/26, the Boil Water Advisory that was issued 6/16/26 for customers between 213 Fredericksburg Ave. and 116 Bibb Store Rd. has been lifted.

The Boil Water Advisory was issued after a service interruption and loss of water pressure to customers.

A series of bacteriological samples were collected and sent to a state certified lab. All samples collected on 6/17/26 and 6/18/26 were absent of both total coliform and *E. coli* bacteria in the area where the Boil Water Advisory is currently being lifted.

Following flushing the service line and premise plumbing, residents can safely resume normal use of their tap water.

For more information, please contact the Town of Louisa at 540-967-1400.

*\*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.\**
