2024 Pet Registration Begins Now

All pets are required to be registered annually with the Borough and all dogs with Allegheny County by law. Penalties for non-compliance include monetary fines.

Each year, the Borough waives the \$25.00 registration fee during the month of January. Beginning February 1, 2024, the \$25.00 fee will again be implemented. As is standard policy, the fee is waived throughout the year for new pets when they are registered within 30 days of arriving in the Borough.

Pet owners may register pets in person at the Borough office Tuesdays and Thursdays from 9:00 a.m. to 5:00 p.m. **The pet's current VETERINARIAN RABIES CERTIFICATE(S) IS REQUIRED for registration.**

In January only, as was customary "pre-Pandemic", a Borough Council member will be available in the Borough office every Saturday from 10:00 a.m. to 12:00 p.m. to accommodate residents who work during the week to register pet at no charge.

The information we require is: Your Name, Address, Phone Number(s), Type of Pet, Pet's Breed, Pet's Color(s), and Pet's Name. As long as all information and the required proof of rabies certificate is provided, a 2024 Pet Registration Tag will be issued to attach to your pet's collar.
