In the recent Wilkins Township Newsletter, the date for the annual DEA Drug Take Back Day was mistakenly listed as October 31, 2026. This is incorrect.

DEA Take Back Day is scheduled for Saturday, October 24, 2026
from 9 A.M. to 1 P.M. at the Wilkins Elk Lodge, located at 718 Beulah Road.

If you have old, expired or unwanted prescription medications that you want to safely dispose of, stop in to the Elk's Lodge during the above listed times on Saturday, October 24 and hand them over to us for destruction. Syringes/needles will not be accepted. We are happy to partner with the DEA and the Wilkins Elk's Lodge for this event, which has been very successful for many years. We hope to see you on Saturday, October 24!
