

New Trash Service Beginning on October 1, 2025

Valley Waste Solutions, Inc.

The Township's Solid Waste and Recycling contract was awarded to the lowest responsible bidder, Valley Waste Solutions, Inc. Valley Waste is a local, family-owned and operated waste solution company founded in 2004. They strive to provide their customers with reliable quality services with high integrity. They treat their customers with respect and gratitude and are committed to keeping our community's environment clean and sustainable.

What's Changing?

The Township's new Solid Waste & Recycling 5-year contract with Valley Waste Solutions, Inc. begins on Wednesday, October 1, 2025 through September 30, 2030. Notable changes to the trash and recycling service include:

- Collection days
- Cost

Residents will have the option of either weekly collection service billed on a quarterly basis, or bag service, similar to Tag-a-Bag.

There will be no changes to collection of trash and recycling. Residents will continue using their own trash and recycling containers, and place them at the same collection location that they currently do. Valley Waste will continue going back lanes that currently get serviced.
