90th Anniversary

Dallastown Lions Club is celebrating 90 years of service to the Dallastown Community. The Dallastown Lions have given financially to organizations such as Beacon Lodge, Leader Dogs, sight programs, and hearing programs. They have helped many local Dallastown families obtain eyeglasses, eye exams and hearing aids at reduced costs. They also have helped many Dallastown families by working together with our school district to collect food for our needy. The Dallastown Lions also own and maintain the Dallastown Lions Community Park as a service to the residents of our community. A brand-new playground for children ages 2 to 5 was installed with the help of our very own Dallastown American Legion Post 605! Thanks Dallastown and we look forward to serving our community for another 90 years!
