Birdhouse Building for Kids

A Crafton Bird Town Event

Saturday, August 15, 2026

9:30 – 11:30 AM

Community Center

Join us for a hands-on event where kids work alongside adult volunteers to assemble a birdhouse from pre-cut wood pieces — learning basic building skills while discovering the birds who might one day call it home.

Completed birdhouses will be collected and placed along Crafton's trails, parks, and other bird-friendly locations throughout the Borough. Parents are welcome and encouraged to attend.

Space is limited to 21 participants — advance sign-up is required.

Parent / Guardian Phone: _____

Assumption of Risk, Photo Release & Supervision Acknowledgment

This event involves the use of tools (drills, hammers, tape measures, hand planes) and carries an inherent risk of minor injury. Adult volunteers will supervise and guide assembly, but this is not one-on-one supervision — parents present remain responsible for their own child's safety and conduct. By signing below, I release and hold harmless the Borough of Crafton, its officials, employees, and volunteers from claims arising from participation, except in cases of gross negligence or willful misconduct, and I consent to photos/video of my child being used in Borough communications.
