

LAST CHANCE FOR A FREE RECYCLING BIN

OCTOBER 31ST IS THE DEADLINE

These cans were originally purchased through a grant around 2019 and have been available to residents for years as part of the Borough's curbside recycling program.

Never gotten one? — Now is the time!

Already have one but you're a SUPER-RECYCLER? You can request a **second can!**

The Borough assumes that residents who wanted a can have had an opportunity to receive one. As a result, Borough Council will be **transferring the remaining cans to another municipality** for use in its curbside recycling program.

So, if you've been meaning to get one—or you've been waiting for your chance to get a second one, **don't wait!**

IMPORTANT: These cans are provided **for curbside recycling only**. They are **not garbage cans**, whether they are painted black or not. If they are used for household trash, they **will not be collected by the garbage crew**.

How to Get Yours

All cans will be delivered **directly to your home** by the Borough's Public Works Crew.

- **Online:** Visit [Wesleyville.gov/recycling](https://www.Wesleyville.gov/recycling) and complete the request form.
- **In Person:** Stop by the Borough Office during open hours: **Monday, Wednesday & Friday | 9:00 AM–4:00 PM**

Please let us know by October 31st if you would like another bin.
