

BOROUGH of DELAWARE WATER GAP

Leaf Collection 2025

Beginning on October 27th and concluding on November 21st, Leaf trucks will circulate the roads once per week during leaf pickup (typically on Wednesday). Dates and pickups are subject to change in accordance with weather conditions. *Please have all leaves prepared for pickup by the end of the day on Sunday, November 23rd. Leaf trucks will make one final sweep during the week of November 23rd.*

Guidelines for bulk leaf piles:

All leaves to be collected must be placed on the street.

Bags and rigid containers of leaves will not be collected.

Do not rake twigs, branches, walnuts, sticks, rocks, garden debris, etc. with the leaves: such items cause equipment to breakdown.
