

Plum Families,

The Plum Borough Police Department in conjunction with the Plum Borough School District will be participating in **Operation Safe Stop**.

For the past 28 years, PennDOT, law enforcement agencies, transportation departments, and school districts have worked together to raise awareness and the number of illegal school bus passes.

On Wednesday, October 22, 2025, the 29th Annual Operation Safe Stop will take place. Members of the Police Department along with School District Administration will be visiting varies bus stop throughout the district.

We encourage all families to discuss the importance of bus safety with their children and remind family and friends that stopping for a school bus is not optional, **It's the law!**

Thank you,

Plum Borough Police Department.
