

Just a reminder that we are currently collecting donations for the Back 2 School supply drive. Our box is available for drop-off donations in the lobby of the Littlestown Borough office and items can be dropped off during the office business hours. Additionally, we have placed boxes in our local Littlestown Family Dollar and Dollar General stores. Listed below are some of the needed items. We are excited for this opportunity to work with our community and help our local students obtain the items they need to have a successful school year!
