**BOROUGH OF NORTH WALES**  
**RESOLUTION 2024-080**  
**A RESOLUTION TO APPROVE TAX COLLECTOR AGREEMENT**

**WHEREAS**, the Borough of North Wales desires to cooperate with the Borough Tax Collector and is desirous of maintaining efficient collection and transfer of the taxes collected to the Borough of North Wales.

**NOW THEREFORE, BE IT RESOLVED** by the North Wales Borough Council that:

**Section 1.** Within thirty (30) days after receiving their respective tax duplicates, unless such time shall be extended by the Borough of North Wales, the Borough Tax Collector, shall send a tax notice to every taxable whose name appears on such duplicate; provided, however, that a tax notice shall be sent to every taxable whose name appears on said duplicate not later than the first day of February following receipt of the tax duplicate. Said notice shall contain such information as is required by law, including the following: (1) the date of the tax notice; (2) the rate or rates of taxation; (3) the valuation and identification of the real property of such taxpayer; (4) the several amounts of real estate taxes for which the taxpayer is responsible for the current year; (5) the total amount of said taxes; (6) a statement that such taxes are due and payable; (7) the place and time where the taxes shall be paid; (8) the time during which an abatement of tax will be allowed, when the full amount of tax will be collected, and when an additional percentage will be added as a penalty; (9) a request for payment of taxes (10) the amount and timing of the installment payment options for the taxpayer, and (11) the net tax payment to be paid after subtracting the taxpayer relief amount. Said notices shall be mailed or delivered to the address of public record of each said taxpayer at time of mailing.

**Section 2.** The Tax Collector shall, in person, or by some person duly authorized, be in attendance for the purpose of receiving and receipting for taxes at least three days of each week during the last two weeks of the period during which discounts are allowed, at his/her residence or some other appropriate place designated by him/her in the tax notice.

**Section 3.** The Tax Collector shall pay over to the Borough of North Wales all monies due the Borough to the extent said monies are available for transfer in accordance to the Montgomery County Treasurer's Office Remittance Policy. Unless otherwise agreed to by the Borough of North Wales, all transfer of monies from the Tax Collector's bank account to the Borough of North Wales shall be made by the issuance of a check.

**Section 4.** The Tax Collector shall submit a true, verified statement, in writing, to the Borough of North Wales, of all taxes collected for the Borough of North Wales at the time the monies are remitted. This statement shall show the total amount of taxes received, discounts granted and penalties applied and shall also show the dates and amounts of all transfers of funds made during the period.

**Section 5.** The Tax Collector shall make a complete settlement of all taxes, including but not by way of limitation, Borough real estate taxes and Borough interim real estate taxes, with the Borough of North Wales on or before January 14 of each taxing year. In the settlement of such taxes, the Tax Collector shall be allowed a credit for all taxes collected and paid over, for all unpaid taxes upon real property, which real property shall

have been returned to the County Commissioners or borough designee as required by law or shall have been certified to the Borough of North Wales, or its solicitor, for the entry of liens in the office of the Prothonotary. Upon final settlement of the tax duplicate, each Tax Collector shall take an oath or affirmation in writing and subscribed by the Tax Collector, that he or she has made a true and just return of all taxes collected.

**Section 6.** The Borough of North Wales shall pay to the Borough Tax Collector who complies with this Resolution, as compensation for their services commencing January 1, each tax year, the sum of Three Dollars (\$3.00) for each tax notice, current or interim, rendered by the respective Tax Collector, plus a Two-thousand Dollar (\$2,000.00) stipend annually, which compensation shall be payable in twenty six (26) equal installments with reconciliation if needed at the end of the calendar year, or if chosen by Tax Collector, one payment to occur on or before December 31<sup>st</sup> each tax year.

Solely for purposes of the Federal Insurance Contribution Act ("FICA"), the Tax Collector shall be treated as an "Employee." For all other purposes, the Tax Collector shall not be treated as an "Employee." Notwithstanding the foregoing, if the Borough of North Wales either by agreement with the Tax Collector, or on the advice of its Solicitor, or by order of court, treats the Tax Collector as an "employee" of the Borough of North Wales, for other purposes, which treatment results in the Borough of North Wales providing at its expense, fringe benefits to the Tax Collector, then the compensation to which the Tax Collector would be entitled to by virtue of this section will be reduced by the actual cost incurred by the Borough of North Wales as a result of providing the Tax Collector with said employee fringe benefits.

**Section 7.** The Borough of North Wales shall pay one-half (1/2) for the forms, the printing of forms and postage of tax notices. The Borough of North Wales will pay for its share of the premium for the Tax Collectors Bond provided. Except as set forth in this Section 7, the Borough shall not pay for, nor reimburse the Tax Collectors for any other expenses and/or other expenditures.

**Section 8.** If the Borough of North Wales erroneously overpays the Tax Collector based upon Section 6 or Section 7 hereof, the Borough of North Wales may collect said overpayment by immediately reducing current and/or future compensation, and/or reimbursement due to the Tax Collector or by institution of appropriate legal action to collect said erroneous overpayment.

**Section 9.** The Tax Collector shall issue delinquent notification letters to all taxpayers who have not remitted their taxes on or before November 15 of each year. The Borough of North Wales shall reimburse to the Tax Collector the amount of postage utilized for each delinquent notification letter issued by the Tax Collector within thirty (30) days after being presented with proof of the mailing of said delinquent notification letter. These amounts will be paid one time per year with an invoice presented to the Borough at time of yearly settlement.

**Section 10.** The Tax Collector shall charge \$10.00 per tax year being requested for Tax Certifications. This fee may be reviewed from time to time over the course of the Tax Collector's elected term(s). The fee for Tax Certifications is collected solely by the Tax Collector.

This Resolution is intended to reiterate the duties and obligations imposed upon the Tax Collector by law, and where appropriate to make those elections delegated to the taxing authority by law. The provisions of this Resolution are severable, and if any of its provisions shall be held illegal, the decision of the court shall not affect or impair any of do remaining provisions of this Resolution. It is hereby declared to be the intent that this Resolution would have been adopted had such illegal provisions not been included. Section headings shall not be taken to govern or limit the scope of sections of this Resolution. The singular shall include the plural, and the masculine shall include the feminine or neuter.

RESOLVED AND ENACTED this 10th day of December 2024.

### **Public Comment**

There was no public comment.

### **Consideration: Adoption of the 2025 Budget**

Member Groce made a motion to Adopt the 2025 Budget. Member McClure seconded the motion. Motion passed 7 yes, 0 no.

### **Consideration: Approval to Apply for Local Share Account Statewide Grant – Street Sweeper Replacement**

Manager Hart explained that last year's LSA grant application which was partially awarded would not cover the expense of replacing all of the equipment and vehicles that require replacement. Therefore, this application would reapply for the additional funds needed to replace the street sweeper.

Member Fazio made a motion to Approve Applying for the Local Share Account Statewide Grant – Street Sweeper Replacement. Member McClure seconded the motion. Motion passed 7 yes, 0 no.

### **Consideration: Approval to Apply for Local Share Account Statewide Grant – Scout Center Improvements**

Manager Hart reviewed the application to replace the over 90-year-old Scout Center. The application includes cost estimates and renderings from GKO Architects which show a full replacement of the Scout Center including new accessible restrooms to serve public events in Weingartner Park. An option for renovation at a lower cost was also presented in case an award were to be partially granted. This project supports the goals of the Comprehensive Plan and aligns with the addition of the Scout Center to the Borough's Zoning Code under an institutional overlay district. It is also a great way to honor the recent hundredth anniversary of scouting in North Wales Borough.

Member Collins asked if the Borough could apply for other funding sources to complement this grant if received. Manager Hart replied that if this grant were awarded and additional funding were needed, the Borough could seek additional funding from sources if available.

Member McClure made a motion to Approve Applying for the Local Share Account Statewide Grant – Scout Center Improvements. Member Neiderhiser seconded the motion. Motion passed 7 yes, 0 no.

**Consideration: Approval of Budget Transfer from Construction Repairs/Maint to Building Maintenance**

Manager Hart explained that the transfer is to cover repairs needed to the garage doors at Public Works. The transfer is from a line item that included the electrical upgrades for Borough buildings which could not be completed this year due to the quotes coming in higher than expected.

Member Collins made a motion to Approve a Budget Transfer from Construction Repairs/Maint to Building Maintenance. Member Neiderhiser seconded the motion. Motion passed 7 yes, 0 no.

**Consideration: Approval of Budget Transfer from Minor Equipment, Police and Uniforms, Police to Maint/Repairs**

**Solicitor / Mayor / Council / Chief / Public Works / Manager**

Solicitor Gifford announced an executive session will be held after the meeting to discuss a matter of real estate. No action will be taken by Council.

Mayor McDevitt recognized Herb Kavash - Councilmember Sally Neiderhiser's father who is our sole surviving WWII veteran. He just celebrated his "100th" birthday. While Sally and family would say he's actually 99 years old according to his birth certificate, Herb insists that he's 100 and who are we to question that? He asked everyone for a round of applause to honor his service and his commitment to our community!

He thanked everyone who is working to make our community a winter wonderland, from the public works teams who are hanging the decorations on the light poles to the NW Community Project Alliance who are hosting the annual Tree Lighting this weekend! He is thrilled to have a representative from Main Street North Wales joining him for reading The Night Before Christmas.

He asked that everyone keep the neighbors who are not with their families to serve their country in the armed forces and those who serve their communities in public safety and healthcare roles in their thoughts.

Junior Council Member Bussman asked the community to keep all of the people serving our country abroad in their minds during this holiday season.

Members of Council wished the community a happy Thanksgiving.

Chief Erenius thanked the community for their generous support of the Shop with a Cop program which to date has raised over twenty thousand dollars this year with more than half of that coming from residents of the Borough.

Public Works Supervisor Raybold updated Council that Public Works is preparing the trucks for winter weather.

Manager Hart reminded the community of the Annual Tree Lighting run by the NWCPA will take place on December 1<sup>st</sup>. Typically Public Works waits until after Thanksgiving to decorate the town, but with the tree lighting being as early as it possibly could be, they made sure to have everything decorated prior to the event.

She asked that Council and any boards or commissions volunteers that wish to attend the Montgomery County Boroughs Association dinner please RSVP for the event.

She encouraged residents to complete the Comprehensive Plan Audit Survey prior to the year-end deadline.

Finally, Manager Hart wished everyone a happy Thanksgiving!

# North Wales needs your input on our comprehensive plan!

**WE NEED YOUR  
FEEDBACK!**

North Wales Borough 2040, the borough's comprehensive plan, was adopted in late 2018. The plan was the result of extensive data and trends analysis conducted by a steering committee over the course of many months and relied heavily on public input. After five years of implementing the goals and recommendations of the plan, Borough Council wishes to reengage the public and ensure that future projects continue to align with the wants and needs of residents.

The purpose of this survey is to determine future projects for the borough to address. All of these projects were included in the implementation plan for North Wales Borough 2040. Please visit <https://www.surveymonkey.com/r/nwb2040> or scan the QR code to the right to view the current plan and complete the survey.

The survey will remain open until 12/31/2024. A summary report will be presented in early 2025, which will be made available on the Borough website.
